To Whom It May Concern:

Re: Mr. Warren Johnson

It is my great pleasure to write this letter of recommendation for Mr. Warren Johnson. I have had the pleasure to work with Mr. Johnson on a new 3.2 million dollar Fire Station in Logan Lake. Mr. Johnson was the site superintendent. I can state with confidence that he is a very motivated and responsible person with a high degree of integrity. As such, I expect that he will be a person for the projects that need to be completed on time and he is also a budget concise person.

Mr. Johnson is a very knowledgeable and approachable leader. As an owner I am very happy I chose the contractor that Mr. Johnson worked for, but most of all it was Mr. Johnson that I dealt with the most. Mr. Johnson takes the initiative to identify problems and devise solutions. His role required strong communication skills and he has the ability to inspire respect and cooperation from his fellow worker and sub-contractors.

As a Fire Chief responsible for our project I would recommend Mr. Johnson for your project as I know he will do a great job for you. Please call me at 250-523-2315 ext. 101 if you have any questions and I will gladly discuss the matter with you.

Yours truly,

Dan Leighton
